Thanks for the Memories

25 years of making MEMORIES

Congratulations! You're looking at the smartest choice for the experienced RV'er. Over the past 25 years, RV owners have discovered what they want in a quality unit. After 25 years of designing and building top quality Fifth Wheels and Cottages, Cedar Creek is truly considered one of the best in the marketplace. Less worries about your purchase and more time enjoying the great outdoors is what you'll find. Over the years, we've satisfied more customers with the amazing Cedar Creek brand!

There's no time like the present

Cedar Creeks have seen the world in 25 years!

1998

Cedar Creek started as a dream to build an all-season's RV that was the right choice for the experienced buyer. And we did it!

1999

As the dream grew into reality, Cedar Creek put the right people, in the right place, at the right time, to create the memories you enjoy today.

LIPPERT ANTI-LOCK BRAKING SYSTEM

The Lippert trailer anti-lock braking system is innovative towing technology designed to let you haul safer and smarter than ever.

HYDRAULIC LEVELING SYSTEM

Lippert's Gen 3, 6-point Leveling system levels an RV in less than a minute using a one-touch auto-leveling feature and includes an auto re-hitch memory function that remembers the exact height at which the RV was unhitched.

TST TIRE PRESSURE MONITOR SYSTEM

Standard on all Cedar Creek Fifth Wheels is the TST tire pressure monitoring system that alerts you to any tire problems while on the road.

SOLAR PREP

Cedar Creek Fifth Wheel models are all standard equipped with the 200Watt Go Power® solar roof panel system. Ready to go off-grid! Now you can charge your batteries anywhere the sun is shining.

VIXENITE™ COMPOSITE SLIDE FLOOR PANELS

Water resistant and bugproof flooring with superior fatigue characteristics. Comes with a lifetime warranty.

CRADLEPOINT 5G/WIFI ANTENNA

Higher performance and a frequency range of 600 MHz – 6 GHz means your Cedar Creek will connect to the world where ever the road may lead. Get 30-days free with paid subscription.

FURRIION REAR CAMERA SYSTEM

Cedar Creek Fifth Wheels are prewired for an optional Furrion® rear camera or 4 camera security system.

LITHIUM BATTERY PACKAGES

Optional "Off-the-Grid" Lithium battery packages - 200X or 460XL by Mastervolt with 2 or 4 solar panels.

ROOFING Our 5" all-aluminum roof rafters allow us to install two 15,000 standard air conditioners and ensure universal cooling with a dual zone control system.

INSULATION We glue residential, formaldehyde-free, glass wool insulation in-between the frame, expanding the insulation to full capacity.

Z-FRAME Cedar Creek's "Z" Frame design is the industry standard. This unique frame was created to give our customers over 100 cu. ft. of extra front storage space. This flat floor design assists in easy removal of your heavy camping equipment.

TESTING AND INSPECTIONS

Weekly, Cedar Creek units are put through Forest River's pre-delivery inspection facility. This 20,000 square foot facility gives our customers the ultimate assurance of quality. Our state-of-the-art facility gives immediate, daily feedback to production for optimum quality assurance in every unit we build.

HEATED TANKS Black, grey, and fresh water tanks are installed with individual 12Volt, large surface heating pads on ALL tanks. These tank heaters allow for all season camping.

SUPER STRUCTURE

Cedar Creek's famous, handmade, ALL-aluminum super structures are built on 16" centers or less, just like your residential home.

UNDERBELLY

Each steel frame is covered with a unique ABS, impact-resistant, waterproof underbelly panel(s).
